

Site plan of the National Institute of Advanced Industrial Science and Technology (AIST) in Tsukuba. The plan shows various buildings including the Main Building (1), Research Building (2), and various specialized labs (3-11). It also features a large outdoor field (グラウンド), a tennis court (テニスコート), and several parking lots (駐車場). The site is bordered by roads including National Route 1 (国道1号) and National Route 47 (国道47号). A pink line highlights a specific boundary or path within the campus.

The topographic map shows the stadium site with its running track and various fields. The stadium is centrally located, with a running track and various fields. The map includes contour lines, building footprints, and a detailed site plan overlay. The stadium is centrally located, with a running track and various fields.
